Mini Microrain

www.ibinternational.com.au

Mini Micro Models MMR 20/40, MMR 25/50 and MMR 32/70 include the following standard Australian equipment features

- Gearbox & turbine drive
- Automatic stop at end of run
- Adjustable flow rate / Irrigation run speed
- Hose guide system
- Connection Hose kit (connecting irrigator to water supply)
- Sprinkler Trolley Lifting

Smaller spaces shouldn't be harder work!
 Our new Micro range of hardhose shares many of the best features of their bigger brothers, which means less work for you. No need to physically shift around the block - these Mini Micro's are automated. They are low maintenance irrigation. Suitable for Gardens, Sports Fields, Acreages, Nurseries and Horse Arenas.

Code	Model	Sime Sprinkler	Nozzle Sizes mm
300020	MMR 20 / 40	JUNIOR	4
300025	MMR 25 / 50	SILVER	5, 6 & 7
300032	MMR 32 / 70	FUNNY	7, 8 & 9

Performance	Inlet Pressure	Flow Rate	Wetted Width
MMR 20 / 40	30 – 60psi (2 – 4 bar)	10 - 15 lpm	15 – 25 mets
MMR 25 / 50	30 – 60psi (2 – 4 bar)	12 – 40 lpm	22 – 30 mets
MMR 32 / 70	40 – 80psi (2.5 – 5 bar)	32 – 80 lpm	29 – 41 mets
